RENEWED PETITION UNDER 37 CFR 1.47(a)

Sir:

Enclosed is a response to the decision mailed from the Office of Petitions on May 25, 2006 in connection with the above-identified patent application (the "Decision").

The Decision denied Applicant's petition under 37 C.F.R. § 1.47(a) filed March 30, 2006 to accept the application without the signature of joint inventor Akitaka Nishio. Consistent with the Decision's helpful suggestions, Applicant files herewith a Combined Declaration and Power of Attorney signed by the co-inventors, a newly signed Statement of Facts, copies of previously submitted Exhibits A and B, and new Exhibits C and D.

Applicant believes no fees are required with this submission. However, the Commissioner is hereby authorized to charge any deficiency deemed necessary to Deposit Account No. 19-1351.

Date: 8/5/06

Respectfully submitted,

By:

Timothy J. Keefer
